Selectmen's Report

The new budget year started after Town meeting with the arrival of two new Selectmen and a new Town Administrator. Scott Borthwick was elected to the three year term and Tim Lewis was elected to the two year term as Selectmen. Michael Capone began work on March 17 as our new Town Administrator. Since the default budget was approved for the second consecutive year, the first order of business was to adjust the proposed operating budget down to the default budget. Adjustments to the budget were made with the input of the department heads and were voted in by the Board of Selectmen at subsequent meetings. With rising costs affecting many budget items it has been very difficult to operate on a default budget for two years, but this was the will of the voters and with some reduction in services and the cancellation of some projects it was accomplished. It is understandable that residents can't stand increases in their tax bills, but they must realize that with lower tax bills comes a reduction in services.

A major sewer repair project was started this year. The sewer line that carries the effluent from the village to the lagoons up above the transfer station had become exposed where it crosses through Orange Brook. The Town first notified DES of this in the summer of 2007 and finally received permission to repair it in November of 2008. The critical part of the work was finished before winter set in, but there is still work to be completed in the summer of 2009.

The Town is currently working with New Hampshire Department of Environmental Services (NHDES) to increase the discharge capacity of the waste water plant. At this time because of limits at the plant no new hookups are allowed on the sewer system. This limits the potential for growth in Canaan Center by preventing additional building as well as changes in use. The Board will be securing the services of an Engineering firm to determine what, if any, additional capacity can be added so we can accommodate more hookups on the system.

The Town is also working with NHDES on a disinfectant by-product issue with the water system. The recommendation was made to drill an artesian well behind the filter plant on Fernwood Farms Road. The goal would be to blend the well water with the water from Canaan Street Lake. This would allow us to cut down on the amount of disinfectants we presently use to treat our water and bring us into compliance with Federal regulations. The well has been drilled and the water quality tests results are good. We are now waiting for State permitting to conduct further tests on the well. If these tests are successfully completed we will be able to blend the two sources of water and achieve compliance with Federal regulations.

All of the work done on the water and sewer system is being done at no cost to the taxpayers. Work is being paid for by user fees that have accumulated over the years.

Last year the voters approved a warrant article for \$45,000.00 to install a new heating system in the Library and Town Offices. A very efficient forced hot water system was installed late last summer and is working very well.

Last June the Town's long time Attorney, Tim Bates, retired. The Board conducted a search for a new Attorney and received several responses to its request for qualifications. After serious consideration of all candidates, Attorney Bernie Waugh of Gardner, Fulton and Waugh from Lebanon, NH was selected. Bernie has been practicing Municipal Law for thirty years and has already proven to be a great resource for our Town.

In closing, the Board would like to thank all of the Town employees for their service, their dedication and their professionalism. We would also like to thank the members of the various Boards and Committees as well as the many volunteers who give so generously of their time to help make Canaan the great community that it is. Best wishes to you and all of the residents of Canaan in 2009.

Respectfully submitted,

Robert Reagan, Chairman

Town of Canaan

Hello and Happy New Year. Much of our time in 2008 was involved with the 4 elections that were held: Presidential Primary January 8, 2008, town election on March 11, 2008, the State Primary September 8, 2008, and the big General Election on November 4, 2008. We had a record amount of ballots cast in the General Election: 1896 ballots. It was terrific to see our citizens get involved and cast their votes.

We have been on-line with the State of NH-Motor Vehicle Department for several years now, and it seems to be running smoothly. The State came out with new registration forms starting September of 2008, and they are significantly different. They have a bar code for the State Police scanners. The driver's licenses are quite different now also.

Tom Guillette has been renovating our office, and it looks so nice and bright. We received new printers from the state for registrations, and we ran out of room to put all the printers, etc. that comes along with new technology. Tom was kind enough to build a set of shelves for us to accommodate all of the new equipment.

I would like to thank Ann Labrie, our Deputy Town Clerk/Tax Collector for all of her hard work through out the year. Ann helps to decipher all of the new information that the state departments send our way each year.

We would like to wish everyone a prosperous New Year.

Respectfully Submitted,
Vicky J. McAlister

REPORT OF THE TRUSTEES OF THE TRUST FUNDS

The trustees of the trust funds are responsible for two pools of town funds – capital reserves (money voted by the taxpayers to be set aside for specific projects or purposes) and perpetual or special purpose trusts, primarily for care and maintenance of cemeteries.

The capital reserve funds (also include the school district capital reserve accounts) are invested with the New Hampshire Public Deposit Investment Pool (“NHPDIP”). The details of the activity for calendar year 2008 are contained in the page following.

The cemetery funds, which are trusts held in perpetuity with only the income permitted to be spent, are held in an investment account with the Charter Trust Company providing investment management, record keeping and reporting services to the trustees. A report of the cemetery and other perpetual trusts for 2008 follows. The specific detail of each individual underlying perpetual care fund is too lengthy to print in the Town report. However, all of the trustees and the town administrative office receive periodic statements of this detail. We would be pleased to provide additional information to anyone interested.

TRUSTEES OF TRUST FUNDS

Cynthia J. Neily, Clerk
Jacqueline Lary
David Webster

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Canaan, New Hampshire

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Town of Canaan, New Hampshire as of and for the year ended December 31, 2007, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Canaan, New Hampshire, as of December 31, 2007, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis and budgetary comparison information on pages i-vii and 25-26, respectively, are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Canaan, New Hampshire's basic financial statements. The combining nonmajor fund statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining nonmajor fund financial statements have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

TOWN WARRANT
Canaan, New Hampshire
2009

Grafton S.S.

Town of Canaan

To the inhabitants of the Town of Canaan, New Hampshire, who are qualified to vote in Town affairs.

First Session:

The first session of the Annual Town Meeting will be held on Saturday, January 31, 2009 at 1:00 P.M. at the Canaan Elementary School. The first session will consist of explanation, discussion and debate on each of the following warrant articles, and also allow voters who are present to adopt amendments to warrant articles, except articles whose wording is prescribed by law.

Second Session:

The second session of the Annual Town Meeting is to elect Town Officers by official ballot and to vote on all warrant articles as they may have been amended at the first session. This meeting will be held on Tuesday, March 10, 2009 at the Canaan Fire Station, 62 NH Route 118. The polls for voting by official ballot will open at 8:00 A.M. and will close at 7:00 P.M.

ARTICLE 1

To vote by non-partisan ballot for the following Town Officers:

One Selectman	3 Years
One Treasurer	3 Years
One Trustee of the Trust Funds	3 Years
One Cemetery Trustee	3 Years
One Human Services Director	3 Years
Two Planning Board Members	3 Years
One Library Trustee	3 Years
One Chief of Police	3 Years
Three Budget Committee Members	3 Years
One Budget Committee Member	2 Years
One Budget Committee Member	1 Year

ARTICLE 2

Shall the Town of Canaan vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling the sum of Three Million Two Hundred Sixty Eight Thousand Four Hundred Twenty Three Dollars (\$3,268,423.00)?

Should this article be defeated, the default budget shall be Three Million Two Hundred Thirty Five Thousand Eight Hundred Sixty Dollars (\$3,235,860.00), which is the same as last year, with certain adjustment required by previous action of the Town of Canaan or by law: or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

ARTICLE 3

To see if the Town of Canaan will vote to raise and appropriate the sum of One Hundred Seventy Seven Thousand Four Hundred Sixty One Dollars (\$177,461.00) for Water and Sewer Operations for the Town of Canaan. These funds are raised by user fees and are not funded by property taxes.

ARTICLE 4

To see if the Town of Canaan will vote to approve the cost item included in the collective bargaining agreement reached between the Town of Canaan and AFSCME Local 3657 Police Department Employees which calls for the following increases in salaries and benefits at the current staffing level:

Contract Year	Estimated Increase
2009	\$13,472.02
2010	\$18,555.06
2011	\$21,222.74

And further raise and appropriate the sum of Thirteen Thousand Four Hundred Seventy Two Dollars and Two Cents (\$13,472.02) for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year.

The Board of Selectmen **recommends** this article **3-0**
The Budget Committee **recommends** this article **6-1**

ARTICLE 5

To see if the Town of Canaan will vote to raise and appropriate the sum of Six Hundred Fifty Three Thousand Six Hundred Forty Nine Dollars (\$653,649.00) for the purpose of replacing the River Road bridge #123/126 over the Mascoma River. Five Hundred Twenty Two Thousand Nine Hundred Nineteen Dollars (\$522,919.00) will be reimbursed through the State of New Hampshire Bridge Aid program. One Hundred Thirty Thousand Seven Hundred Thirty Dollars (\$130,730.00) will be withdrawn from the Bridge Repair/Replacement and Maintenance Capital Reserve Fund for which the Selectmen are Agents to expend. **NO ADDITIONAL FUNDS WILL BE RAISED THROUGH TAXATION.**

ARTICLE 6

To see if the Town of Canaan will vote to raise and appropriate the sum of Three Hundred Seven Thousand Three Hundred Nine Dollars (\$307,309.00) for the purchase of a Fire Engine and to further authorize the removal of Two Hundred Ten Thousand Dollars (\$210,000.00) from the Fire Truck Capital Reserve fund for that purpose. The remaining balance of Ninety Seven Thousand Three Hundred Nine Dollars (\$97,309.00) to be raised through taxation.

ARTICLE 7

To see if the Town of Canaan will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.00) to be added to the previously established Fire Truck Capital Reserve Fund with the Legislative Body (the Voters) as Agents to Expend. Should both Article 6 and Article 7 pass, the funds for Article 7 will not be appropriated for 2009.

The Board of Selectmen **recommends** this article **3-0**

The Budget Committee **recommends** this article **6-1**

ARTICLE 8

To see if the Town of Canaan will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.00) to be added to the previously established Highway Equipment Capital Reserve Fund with the Legislative Body (the Voters) as Agents to Expend.

The Board of Selectmen **recommends** this article **3-0**

The Budget Committee **recommends** this article **4-3**

ARTICLE 9

To see if the Town of Canaan will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) to be added to the previously established Bridge Repair, Replacement and Maintenance Capital Reserve Fund with the Governing Body (the Selectmen) as Agents to Expend.

The Board of Selectmen **recommends** this article **3-0**

The Budget Committee **recommends** this article **6-1**

ARTICLE 10

To see if the Town of Canaan will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.00) for the purchase of a 2009 Ford Crown Victoria Police Cruiser. This will replace the 2005 Crown Victoria presently in use by the Police Department.

ARTICLE 11

To see if the Town of Canaan will vote to raise and appropriate the sum of One Hundred and Fifty Thousand Dollars (\$150,000.00) for the paving of Reagan Road, School Street, High Street, Hill Court, Chiefs Drive and On the Common. This work will be done in the summer of 2009.

ARTICLE 12

To see if the Town of Canaan will vote to accept the following ordinance.

Acceptance of credit cards. The Town Clerk/Tax Collector will be allowed to accept credit card payments pursuant to RSA 80:52-c for the collection of local taxes, charges generated by the sale of utility services or other fees. The Town of Canaan will add to the amount due, in addition to any interest and penalties payable, a service charge for the acceptance of the card. The amount of the service charge shall be disclosed at the time of billing. The Board of Selectmen in coordination with the Town Clerk/Tax Collector may adopt rules and regulations regarding the collection procedures.

ARTICLE 13

To see if the Town of Canaan will vote pursuant to RSA 32:5, V-a to require that all votes on recommendations on budget items or warrant articles by the budget committee and the governing body shall be recorded votes, and that the numerical tally of such votes shall be printed in the Town warrant next to the affected warrant article.

ARTICLE 14 – Petitioned Article

To see if the Town of Canaan will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) for emergency repairs of the porch and building columns on the Town Museum Building on Canaan Street. These funds shall only be expended if the Canaan Historical Society provides an additional Two Thousand Five Hundred Dollars (\$2,500.00) for these repairs

The Board of Selectmen **does not recommend** this article 3-0

The Budget Committee **does not recommend** this article 4-3

ARTICLE 15 – Petitioned Article

To see if the Town of Canaan will vote to raise and appropriate the sum of Seven Thousand Six Hundred Dollars (\$7,600.00) to go to Advance Transit, Inc. for services to Canaan residents in 2009. These services include transportation for work, shopping and appointments. In 2008 10,856 passenger trips boarded Advance Transit in Canaan. Advance Transit provided services to the Town of Canaan at a cost of \$93,000.

The Board of Selectmen **does not recommend** this article 3-0

The Budget Committee **does not recommend** this article 6-1

ARTICLE 16 – Petitioned Article

To see if the Town of Canaan will vote to raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) to go to Grafton County Senior Citizens Council, Inc. for services to Canaan residents in 2009. These services include congregate meals, home delivered meals, the town food pantry, transportation, adult in-home care, outreach support, Service Link support and more. In 2008, Grafton Senior Citizens Council, Inc. provided services for 342 Canaan residents. The cost of providing these services was \$138,660.81.

The Board of Selectmen **does not recommend** this article **3-0**
The Budget Committee **does not recommend** this article **6-1**

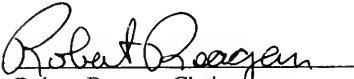

ARTICLE 17 – Petitioned Article

Shall we, the people of Canaan, vote to study the involvement of the Canaan Police Department in the Central New Hampshire Special Operations Unit?

ARTICLE 18

To transact any other business that may be legally brought before this Town Meeting.

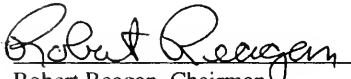

We certify that the warrant was posted on January 23, 2009.

Robert Reagan, Chairman

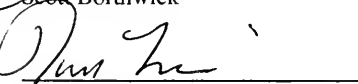

Scott Borthwick

Tim Lewis

We certify that this is a true copy attest as amended at deliberative session on January 31, 2009.

DEFAULT BUDGET OF THE TOWN

CANAAN

For the Ensuing Year January 1, 2009 to December 31, 2009

or Fiscal Year From _____ to _____

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

1. Use this form to list the default budget calculation in the appropriate columns.

2. Post this form or any amended version with proposed operating budget (MS-6 or MS-7) and the warrant.

3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

GOVERNING BODY (SELECTMEN)

TOWN of CANAAN POLICE DEPARTMENT 2008 ANNUAL REPORT

Greetings to the citizens and taxpayers of the Town of Canaan. I urge you take a few moments of your valuable time to read this article in hopes that it will provide you with a glimpse into what the Canaan Police Department does, the challenges we face and a few of the community-policing activities we have been able to provide.

The Canaan Police Department has been privileged to work closely with several citizens throughout the year on various projects for both the department and the community at large. Two projects of particular note are the creation and redesign of our new website and the establishment of a flagpole located in front of the police station. We would like to thank Steve Coutermarsh of Canaan for the countless hours he spent volunteering on the website and we encourage you to come visit us at www.canaanpolice.com. Cody Hurley, also of Canaan, in an effort to earn his Eagle Scout badge was able to garner enough donations from local residents and businesses to purchase and install the new flag pole. We are grateful for his efforts and congratulate him on his accomplishments.

The Canaan Police Department is an active member of the Central New Hampshire Special Operations Unit, a regional "swat" team that assists various police departments across the state. As a member of this organization, we receive numerous hours of training for our officers. More importantly, we have the enhanced benefit that in an emergency we have over 40 fully outfitted personnel along with tactical weapons, equipment, and vehicles at our disposal so that should a major incident occur in town, we can call on them for assistance.

In support of Special Olympics New Hampshire, the police department joined forces with over forty members of the high school and local towns, running Route 4 carrying the "Flame of Hope" during the Law Enforcement Torch Run to Durham for the opening ceremonies of the summer games. Furthermore, we also participated in the "Fueling Dreams" program where on a selected day police officers gather at Irving gas stations throughout New Hampshire pumping gas for donations. These donations along with the Law Enforcement Torch Run raised approximately \$100,000.00 for New

Hampshire Special Olympics so that athletes can afford to participate in the games all year long.

The Canaan Police Benevolent Fund, which is funded primarily through donations and officer's fundraising efforts, provides an annual scholarship to students entering a career of Law Enforcement. It has also provided assistance to families of police officers killed or injured in the line of duty.

2008, has proven to be the most challenging year that I can remember in the last 13 years that I have served on the Canaan Police Department. In a year that has suffered significant economic challenges, the town was faced with a default budget for the second year in a row. This budget setback has prevented the police department from being able to fill a vacant full-time officer position that has been open since February. With calls for service up almost 50% over the last four years, the inability to increase staffing levels for that same time period and the loss of a position, it is easy to see that we are quickly becoming overwhelmed. Although we have no plans of cutting any services at this time, due to the increased call volume and being short handed, what may suffer is the level of service that you have come to expect.

With all that said, despite the fact that we are short one Full-Time Officer and three Part-Time Officers, the existing staff has done an outstanding job of serving this community.

Sergeant Todd Baravalle has been with the department for the last eleven years. He along with his K-9 partner Joy do a tremendous job. Joy is dually trained in both patrol work and search and rescue. The K-9 team has become an invaluable asset to the town of Canaan and has assisted with numerous calls this past year to include the recovery of an Alzheimer's patient who had become disoriented and lost.

Sergeant Ryan Porter has done an outstanding job in his first year in this position. Ryan is our department Field Training Officer and has done an exceptional job in organizing the training program. He has a strong level of commitment to the department and to the town and consistently places the needs of others at the forefront.

TOWN of CANAAN POLICE DEPARTMENT 2008 ANNUAL REPORT

Officer Keith Bergeron took over in the position of the School Resource Officer from Detective Kilmer who left the department to become the Chief in Orford. Keith has performed exceptionally in this new position and has been praised by many at the school for his proactive efforts and community service approach. He is a member of the Central New Hampshire Special Operations Unit, our Child Seat Safety Officer and department Firearms Instructor.

Officer Matthew Bunten has been with us since 2000 and is our department Physical Training, Baton and OC instructor. He resigned his full-time position in February to explore other career opportunities but remained with us as a Part-Time Officer. In November of this year, he returned back to the department full-time. We welcome him back and look forward to working with him in the upcoming year.

Our part-time staff consists of Corporal Matthew Wilson, Officers Bruce Jerome, Chuck Conrad, and Wayne Agan. These four individuals put in numerous hours and sacrifice a great deal of time away from their families and friends to work with our department. They are to be commended for their dedication and professionalism.

I would also like to take this opportunity, to thank our Administrative Assistant Ellen Wilson for all of her hard work and dedication to the department. Ellen ensures that all of the day-to-day tasks are handled in an organized and timely manner. We are fortunate to have her on our staff.

Prosecutor Chris O'Connor has done an outstanding job for the department. His duties include but are not limited to, going to all court appearances, dealing with defense attorneys and answering motions. He works numerous hours on our cases and has averaged a 98% conviction rate for the department over the last four years.

I would also like to thank our Fire Department, Ambulance (F.A.S.T. Squad), Highway Department, Town Administrator and his staff in the Town offices, the Board of Selectmen and all of the elected officials, volunteers and community workers throughout the town.

Canaan has a great family of services that works exceptionally hard every day to serve our community. Additionally and most importantly, I would like to thank you the citizens of Canaan for your continued support and for all that you do to make Canaan the tremendous town that it is.

I urge you to look through the attached Calls For Service for 2008. I'm sure you will agree, and may even be surprised, how busy our department has been over the last year.

The Canaan Police Department and all Town Emergency Services are dispatched by Hanover Dispatch. If you need to reach the police department, simply dial 523-7400. If an officer is not in the building, the call will be forwarded to Dispatch who will be able to reach an Officer for you. As always, if you have an emergency, please Dial 9-1-1.

As always, it is an honor for me to represent the fine men and women of the Canaan Police Department by writing this annual report. I look forward to continuing to serve the Town of Canaan as its Chief of Police. If you ever have a question or concern about the Police Department, feel free to contact me at 523-7400, email me at sfrank@canaanpolice.com or simply stop in.

Respectfully Submitted,

Samuel W. Frank II
Chief of Police
Canaan Police Department

2008 CANAAN FIRE AND EMERGENCY MANAGEMENT ANNUAL REPORT

The 2008 annual report finds the fire dept and emergency management departments. having an extremely busy year. While the town of Canaan may have dodged the second major ice storm in 10 years, the implications and consequences of such events should not be overlooked. With power outages to over 400,000 residences during December how well would Canaan residents and town services fair if we were the victims of such a weather event? Is your residence equipped with back-up services for electricity, heat, and maintaining acceptable living conditions to wait through power restorations? Good weather seasons make for easier preparation, but now is a better time to start your planning and preparations to make your residence livable than during extended severe weather events. The FEMA website at www.ready.gov has lots of suggestions on getting organized to prepare your house. Locally the Mascoma Valley Health Initiative has prepared information on home survival kits to keep residences prepared for emergencies.

Please do not count on the fire dept and emergency management departments to be able to meet all the equipment and personnel needs to keep everyone in Canaan at the same time. We have a limited number of generators, basement pumps, and other equipment to help residents. Personnel are on call by pagers and would respond to calls for help on a priority basis. Sheltering of displaced residents would become a large problem in Canaan as we presently do not have a large area appropriate to feed, warm and provide sleeping areas for residents forced to leave their homes. The fire and police stations have generator power to support emergency responders and their operations, but the need to shelter anymore than 12 people instantly becomes a problem as we presently have only 12 cots and a limited number of blankets. On a larger scale we need to be planning to have back-up power for our schools as emergency shelters for the community.

The above information is meant to increase your awareness to our actual situation in Canaan as we pass through what are going to be difficult years for residents and emergency service providers. We experienced a very difficult year on the budget front also, as many of our budget lines were completely expended in an effort to maintain our equipment and trucks in a state of readiness. We have tried to re-institute equipment testing programs in the areas of ladder, hose, SCBA and pump testing. While this gives us an indication of the operational state of our equipment, it also becomes expensive when equipment fails the tests and needs to be repaired. We had equipment failure in our large diameter hose which required replacing 1500 feet of hose at a time when our budget is very strained. We also had a pump test failure on Engine 3 which highlighted the need for many repairs on an engine that has seen 20 years of service and needs to be replaced. Engine 3 has been repaired to a condition that enables us to place it back in service but still needs body repairs to be completed. It is an engine that has seen interim repairs on 2 previous occasions that has served us until now. This situation does leave us with a difficult problem: how long do we trust a piece of apparatus to protect lives and property of Canaan's residents and the lives of firefighters as we perform the necessary firefighting operations. It was not a lightly made decision to bring the question of a new pumper to the voters but we, the fire dept feel that it is in the town's best interest.

We also experienced difficulty with our self contained breathing apparatus and needed to have repairs and upgrades completed on the PASS devices. These are signaling monitors that indicate that a firefighter has become injured or trapped in a building. Unfortunately, they were constantly signaling emergencies and creating a large safety issue. We therefore needed to repair all of our SCBA units and did not have sufficient budget funds for the repairs. Through the efforts of firefighters we were able to secure several local grants to make the necessary safety repairs.

This again points to a need to examine our present budget and plan for making repairs/ replacement on a capital improvement plan, or regular replacement cycle of equipment. Our increased demands for service by the community are increasing the usage on equipment and vehicles on a budget that has stayed a frozen level for several years.

The following is a list of donations made by the Canaan Firefighters Association for the year 2008 which

supplemented our town budget. The CFA donated \$11,391.88 for the following repairs and/or items: towing and repairing of the forestry Jeep truck (\$10,025.47), rescue vehicle air conditioner (\$1,018.04) office and meeting room paint (\$134.37) ID stickers for equipment (\$214.50) for a total of \$11,391.88 . We were able to make the donations due to fund raising activities and by having CFA members actively pursue grants and donations from local groups such as the Canaan Lions Club and the Mascoma Savings Bank Foundation. We are greatly indebted to all local groups and foundations for their gifts to the fire dept.

The number of times that we are called to service is increasing again as reflected in the calls for service below. We experienced 240 documented calls for service during 2008. 199 of these were of direct service to the town and the remaining were indications of the behind the scene work that must be done to keep the fire dept in a state of readiness. The following run list indicates our responses but not the total hours involved:

Administrative 15	Police Assist 5
Alarm Activations 57	Public Assist 10
Auto accidents 45	Truck/ station maintenance 9
Auto Fires 1	Structure Fires 3
Brush/grass Fires 8	Training 11
Chimney Fires 8	Wires Down 14
Carbon Monoxide Detectors 5	Smoke Investigations 4
Electrical Problems 2	Furnace malfunctions 1
EMS assists 6	Trench rescue 1
Floods 1	Alarm Activations by locations :
Flooded basements 2	Cardigan Mt school 21
Gas Smell 1	Red Barn Apartments 15
Haz Mat Incidents 4	Mascoma Valley RHS 2
Day Care /home inspections 6	Canaan Elementary School 5
Mutual Aid :Enfield 7	Others 14
Grafton 7	
Lebanon 1	
Springfield 1	
Danbury 1	
Odor investigation 4	

As the report demonstrates the calls for service to our community are placing greater demands on personnel, equipment and trucks. We need the untiring efforts of our firefighters in training, responding to emergencies, and planning to help keep our community safe. From the residents of Canaan we very much need continuing moral and financial support to enable us to provide the best level of service possible to Canaan. In submitting this report I would ask for your support for all fire dept endeavors. I also wish to thank all the dept members and their families for the time, dedication and energies that are needed to make a fire dept successful.

Respectfully submitted

William Bellion Fire Chief /Emergency Manager

Buildings and Grounds 2008 Report

The major goal of the buildings and grounds maintenance is to provide and maintain a safe, healthy and productive environment to all those who use the buildings and parks. This requires constant preventive, corrective and deferred maintenance to the following buildings: Town Office, Library, Senior Center, Highway Garage, Police and Fire stations, Meeting House, Museum, Beach house and the Cozy Corner building. In addition to the buildings the following areas that are used for recreation are also maintained: Williams field including the horseshoe and playground area, the common, the downtown islands, meeting house grounds, Museum grounds and the beach area.

This year we accomplished several projects. First per Article 5 as passed in March, we completed the replacement of the two steam boilers in the library basement with a new single forced hot water system. This will result in fuel and repair savings to the town. We also made improvements to the Senior Center by building a new handicap ramp, painting downstairs bathrooms and continuing with outside renovations. We have made several new renovations to the town office buildings which give the citizens a readily access to the tax maps, our local news and general information.

The less obvious tasks, but in most cases the most important, are those dealing with general overall maintenance of the buildings and their grounds. These include but are not limited to electrical, plumbing, general carpentry, management of our state inspections, rubbish removal and lawn maintenance. According to our log, these smaller projects totaled over 75.

I look forward to the new and exciting challenges we will have in 2009.

Tom Guillette
Buildings and Grounds Maintenance

Building Department 2008 Report

Our year end new home starts are at nineteen which puts it just behind last years which was twenty. Overall permit applications to date are at eighty-four which is about the same as last years. Comparing the Upper Valley to the rest of the nation we have thankfully not seen as much of a slowdown. We submit a monthly report on building activity and it provides us with a National breakdown of the activity elsewhere by type and percentage on a year to year and month to month basis. We have declined by single digit percentage points while the rest of the Nation's been declining in the double digits.

We have been issuing more occupancy permits than in past years due to bank and insurance companies now requiring them as condition of mortgage or to meet insurance requirements.

911 continues to stay busy not just with new homes but many change of owners during the year that requires a continual updating of our own data base and notification to all the emergency services involved in the process.

Looking forward to 2009, Canaan is a fine community and still has many nice home sites available. Hopefully the economy will improve and more people will be able take advantage of what we have to offer.

Building Inspector

Human Services 2008 Report

This past year has been very busy with the economy being what it is. There have been layoffs in all areas of business. Several programs have been cut back, or eliminated, which has affected most of the families we see in our office.

The basic needs are still the same, such as rent, electricity, heat and food. These needs have been increasing and this causes a greater need for assistance.

The Human Services Department would like to thank everyone in the various Departments for the help and support given to the office during the past year. We especially wish to thank the Mascoma Senior Center for their food pantry which is used frequently by our clients.

During 2008 this office has assisted 50 families for a total of 128 persons. There were 25 new families applying for help and assistance with their basic needs.

We wish to thank all of the individuals who had assistance for reimbursing the Town. We received \$10,720.00 for property taxes in our Municipal Work Program. The total hours for the work program were 498 for a total of \$3,516.00.

We look forward to working with all the Town Officers and Departments in 2009.

Nelson Therriault
Human Services Director

Transfer Station 2008 Report

We saw record prices for recyclables early in 2008, then, in the last half of the year, prices fell. Despite the low prices, it is still very beneficial to continue recycling. For every ton of material that is recycled Canaan taxpayers save at least \$70, even if it does not generate any net revenue.

Recycling and Disposal Report

	2008	2007	2006	2005

**Parks and Recreation Department
2008 Report**

Each year we cry poor mouse as we use budget constraints as reasons for not doing some of the things that we hope to do. One has only to look around to verify that this situation exists. Our biggest expense is maintenance and repairs. It gets discouraging to have to pay for major repairs to border fencing as well as repairs to dugout area.

Christmas decorations in the gazebo were a joy to behold this year.

The kids, young and old, got lots of play time and enjoyment this year, but again we had to spend hundreds of dollars for repair to fencing, swings and the seesaws.

Again, we enjoyed the efforts of the parents to start and expand the flag football program. This effort was started by Bob Stone and has grown each of the last three seasons. Thanks, Bob, we need more folks like you to get involved in our programs.

We meet at 7PM on the third Wednesday of each month at the Senior Center. If you have something to contribute, we would love to see you.

*An Internet session, on average, is 30 minutes, this equals 33,300 hours of free Internet service provided to our users.

2008 saw an increase in patrons, material circulations, and attendance at programs. We hosted several programs, including a talk delivered by Canaan resident, Bill Spaulding on the history of the Lumber Industry, and a New Hampshire Humanities Council Program on the history of Russian Nesting Dolls. The library also continued to offer and host story hours, book discussion groups, the summer reading program, visits from all three Canaan Elementary second grade classes and the Meeting House Readings while offering new programs such as an adult summer reading program, and a knitting circle. The creation of the knitting circle has inspired us to begin loaning knitting needles and patterns that have been donated to the library.

The library reached a major technology goal in 2008 incorporating our card catalog into our website, www.canaanlibrary.org. You may now check our catalog from home and email or call us to reserve materials. Look for the ability to write reviews, request materials for purchase, and renew your own

materials soon. From our website, you can also read the library's blog, The Book Drop, and download audio books. The library continues to offer a wifi connection, available at all times.

Thanks to the amazing staff, Sharon Duffy, Jenna McAlister, Nancy Pike, Pam Wotton and Lori Dacier for their endless support, creativity, and hard work. Thank you to Dianne LaCasse, Aime Jacques, and Judy McHugh for their time volunteering at the library and thank you to the Library Trustees, for their hard work and commitment. And finally, thank you to everyone who donated materials, time, or financial support to the library this year. It is your support that truly makes our library great.

Amy Thurber, Library Director

Canaan Town Library Trustees 2008 Report

This was a year to celebrate new and important changes to the Library! We gratefully welcomed a new and invigorated Friends of the Canaan Town Library group. They have already raised money and placed a flag and sandwich board outside the door to the Library announcing our programs and presence, and have plans for much more!

Thanks to our small but diligent fundraising group, we continued to raise private funds to initiate the renovation of the Library building. Despite all our energies the fundraising efforts have fallen short of our goal. Nevertheless, we are moving forward and will be looking for alternative ways to complete the project at a lower cost. All of the big beautiful windows on the main floor have been outfitted with new insulated glass which has made the Library more comfortable and energy efficient. Thanks also to the voters of Canaan for approving funds to replace the antiquated boiler in the building which, not only improved energy efficiency, but also allowed us to start on the renovations of the basement floor. That renovation has begun and will be completed in the first part of 2009.

The next phase of renovation (the main floor) will be a challenge with limited funding, however, once again, we anticipate the great generosity and commitment of our community to step up and help in any way they can. i.e. demolition, building shelving, desks, etc.

Once again we thank Amy Thurber, Library Director, and her able and dedicated staff who have continued to create new and wonderful opportunities for our community. Programming of all sorts is available, including the book group, the knitting club, presentations of all varieties, summer reading programs for children and adults, interesting displays and much more. The complete card catalog has been computerized and access to the collections is now available on line through an easy-to-use program on the Library website.

Use of the Library computers has grown enormously this year. The main library server was replaced as were some of the individual computers to ensure that this service continues to be available for the increased use. Free wireless access is also available for those with their own laptops.

This has been a difficult year economically and the Library is seeing a large increase in users (10% increase in card holders). Borrow a book or video rather than buy one, browse your favorite magazine without having to buy a subscription, attend a free workshop or group activity instead of going to the movies. The Library, which offers so much, is especially valuable in hard times.

The Canaan Town Library Trustees very much appreciate the help and support from our patrons, the Library staff, volunteers, the members of the Budget Committee, the Selectmen and the townspeople who have donated their time, money and ideas to make the library the vibrant institution it is.

Canaan Planning Board

Yearly Report for 2008

The Canaan Planning Board has continued to review and take action on subdivision applications even though the number of applications has dropped from the very busy years not too long ago. In 2008 there were twelve applications for subdivision compared to the years 2004-2007 when thirty or more applications were the norm. We expect that economic conditions are the reason and when that situation turns around, we will begin to see elevated levels of applications again.

The Canaan Planning Board is also kept busy preparing the Capital Improvement Plan, which is amended yearly as an advisory document to the Budget Committee and Selectboard. Also, during the year usual business before the Board includes Boundary Line Adjustments, Annexations, Voluntary Mergers, and the review of building permits for property not located on a town maintained road.

Early in 2008, the Planning Board discussed the possibility of re-visiting the issue of submitting a zoning ordinance for consideration at the March 2009 meeting. After meeting with members of the community and lengthy discussion regarding the submission of an amended zoning ordinance for consideration at Town meeting, the Canaan Planning Board decided that the timing would be too close to the vote whereby the Town rejected the proposed ordinance by a wide margin. It was decided that when there was a next attempt to write a zoning ordinance for consideration by the Town, a better effort to include more of the public, including those opposing the ordinance, would be made.

The Canaan Planning Board typically meets on the second and fourth Thursday of each month, except for November and December, at the Senior Center at 7:00 PM. We invite all interested people to attend and participate.

Respectfully Submitted,

Andrew Musz, Chairman

Canaan Conservation Commission (CCC) 2008 Report

The Conservation Commission has moved forward with the construction of a Nature Hut (TREC – Twin River Environmental Center) on the Town Forest parcel along Route 4 (by the s-curve). We anticipate completion of the project by summer 2009.

We sponsored our second annual Earth Day trash pickup in the community. Over 70 bags of trash were picked up on our roadsides.

Along with the Caanan Lake Association, & the Cardigan Mountain School, the CCC co-sponsored the discussion of the water quality of Canaan Street Lake. We also had a presence at Old Home Days to promote the event. The CCC also contributed to the Goose Pond lake host program.

The CCC continues to review development plans with regards to the need to properly file Dredge and Fill Permits that specify appropriate ways to cross wetlands and deal with erosion. The CCC has also been active in monitoring conservation easements in town.

REPORT TO THE PEOPLE OF DISTRICT ONE BY EXECUTIVE COUNCILOR, RAY BURTON

*Executive Councilor
District One*

As I start my 31st and 32nd years of service to this large Northern Council District, I am hopeful and excited for new opportunities for rural America. With a new administration in Washington new economic programs are in the future. Our role at the state, county and local level is to have justified applications that will be used to stimulate job retention and creation. County and regional economic development councils coupled with community action agencies will be putting these new initiatives to work.

The NH Congressional Delegation- Senator Judd Gregg, Senator Jeanne Shaheen, Congressman Paul Hodes and Congresswoman Carol Shea Porter joining other Northeastern states of Maine, Vermont, New York and other New England Congressmen, can cause new resources to become available. I urge that we, at the state, county and local levels of government, step up with our concerns and let them know our needs.

2009 will start another year of the 10-year NH Highway Transportation Planning process working through the Regional Planning Commissions. Transportation Enhancement and Congestion Mitigation Air quality grants are back in play. Contact William Watson at NH DOT for details at 271-3344 or bwatson@dot.state.nh.us.

The 2009 session of the NH House and Senate will be a trying time with proposed cutbacks and how to still provide and meet constitutional and statutory needs. Be watchful of proposed legislation passing costs to county and local levels of government. Stay close to your local state senator and house members.

The Governor and Council are always looking for volunteers to serve on the dozens of boards and commissions. If you are interested please send your resume to Governor John Lynch, State House, 107 North Main Street, Concord, NH 03301 attention Jennifer Kuzma Director of Appointments/Liasion or at (603) 271-2121.

A complete list is available at the NH Secretary of State website at www.sos.nh.gov/redbook/index.htm

My office has available informational items; NH Constitutions, tourist maps, consumer handbooks, etc. I send, via email, a Monday morning schedule. Send me your email address to be added to the list if you'd like at rburton@nh.gov.

Please contact my office anytime I can be of assistance to you.

Canaan Historic District Commission 2008 Report

The Canaan Historic District is located on Canaan Street and includes properties extending from the Old North Church, southward along Canaan Street, past the Museum and Meeting House, and continuing past the Pinnacle House, to the highest point on Canaan Street. The easterly boundary is Canaan Street Lake, and the westerly boundary is a line 500 feet west of Canaan Street.

The purpose of the Historic District Commission is to:

- 1.) Preserve those elements that reflect the architectural, cultural, social, economic, and political history.
- 2.) Conserve property values
- 3.) Foster civic beauty.
- 4.) Strengthen the local economy.
- 5.) Promote district use for the education, pleasure, and welfare of the town.

An application to the Commission is required whenever a building or structure shall be erected, reconstructed, altered, restored, moved, demolished, or changed as to use. Exceptions include repairs and interior work. Regulations, application forms, guidelines and meeting minutes are available at the Town Offices, or <http://www.townofcanaannh.us>

The Commission welcomes attendance at our monthly meeting on the third Monday of the month at 7 PM in the Mascoma Senior Center. At these meetings, we would be pleased to provide you with general guidance. However prior to formal abutter notification, we are not permitted to provide detailed project commentary.

In 2008 the Commission approved 2 applications, one for a new deck and the other for a new dwelling. Two other applications were partially reviewed and have been continued to 2009. They involved second story dormers and a first floor addition. No applications were denied in 2008.

The Canaan Historical Society and the Commission jointly selected a standard historic house marker for use throughout the town. A brochure describing this may be found at <http://www.townofcanaannh.us> which is the town web site. Your comments on this or any other subject are welcome at anytime.

Canaan Historical Society and Museum Report 2008

The 2008 season brought 367 visitors from the area across the country and abroad to the Museum. We opened Saturday, July 5th and closed on Sunday October 26th with several special openings. On Friday, June 6th, we had 91 fourth graders from the Canaan Elementary School along with their teachers and volunteers. They spent the day at the Museum and Meeting House in observance of New Hampshire History Day. This is a re-enactment of the Colonial Days and the students dress for the occasion. They are very interested in the articles in the Museum used by our early settlers. Several of these young people are descendants of Canaan's first families and are eager to learn about our town's history.

On June 30, twenty-five Mascoma Senior Center adults visited the Museum; They enjoyed a tour of the building and ate lunch at our picnic tables. The Museum was open for the day on Sunday, July 13th for the Cardigan Mountain Art Association; This was for their 2nd Annual "Garden Tour" of homes on Canaan Street. Tuesday, July 15th, the members of the Outdoor Recreation for Seniors spent the morning touring the street visiting the Museum, Meeting House and at lunch on the beach.

In September and October we had special openings for families from Maine, Massachusetts, Washington, Arizona, Florida and West Virginia.

Again this year we had numerous items presented to the Society: Shirley Dean-Kim of New York brought us a chalk board and some books for our schoolroom. These things belonged to her brother Bert and are from the 1940's. Ruth Tucker gave us two pairs of old eye glasses. A button hook and a candle snuffer were donated by Leela Tibbits. Some old photos and post cards were brought to us by Jeanie Ritchie from the Perry Baldwin collection. A few pieces of silverware and some old photos were given by Lena Tucker-Thayer family and several old photos were brought to us by David Webster from the old Mill House in Canaan Village. A Bicentennial plate from 1961, 2 small dishes and a tooth pick holder with Canaan scenes, a 1923 newspaper, a 1894 photo of Shackfords Mill, a 1965 photo of John and Jim Ricard, some postcards and several Canaan Town Reports were given by Karen DeWolf Ricard. A bench from the little church in West Canaan, an old trawler and some genealogy information on the Barney family was donated by Elsie Smith-Wilson.

A small ash shovel painted by Louise Stark was given by Nancy Snyder and some town reports were brought to us by Kathy Hill. A commemorative plate with St. Mary's and St. Helena's Churches on it and some small snap shots of the Canaan Fair from 1939 and 1952 were given by Myrtle Cooper.

Our Museum Historian, Donna Zani-Dunkerton has compiled several laser prints of Canaan pictures and other points of interest which she has added to our books. Our collection of art work is on display at the Canaan Town Library during the winter months and we hope to add more pieces when we open the 2009 season.

On Old Home Day weekend, Ken Cushing of Grafton was at the Museum with a very interesting display of photos and information about the Northern Railroad.

Now for an update on the snow roller-This fall another much needed coat of sealer was sprayed on the roller by Ken Lary and the fence around the shelter added to finish the project. Linda, Cindy, Amanda, Matt and Leela Tibbits constructed the fence in sections and installed it around the shelter. Special Thanks to these individual for their time and labor. Also there was a nice article in The Laker about Dan Fleetham Sr and Donna Dunkerton-Zani and the Museum. There was a second article in The Laker of August by Kathi Caldwell-Hopper on Canaan's Noyes Academy. Finally we had a great article in Upper Valley Life on Noyes Academy written by Andy Diehn.

Canaan Lake Association

2008 Annual Report

The mission of the Association is the protection of The Canaan Street Lake; to promote the conservation of Canaan Street Lake and the immediate surrounding area and to protect its beauty and recreational value. The mission includes watershed protection, educational activities, boating safety and communications with the Town and NH-DES on responsible regulations. The Association also sponsors environmental studies by the students of Cardigan Mountain School. Support is also given to conservation groups.

This lake is 303 acres (123ha), shallow and largely spring fed. The lake's importance to Canaan Town is that it has several functions: It is the only water source to downtown Canaan and should it become unavailable, replacement with wells would be expensive; it is a recreational asset with a public beach and boat ramp; it is an asset to lake-side owners, a fact acknowledged by an increased town tax base. As a shallow lake, averaging 10 feet with a 23 foot maximum, the lake is at risk from several sources:

- a. Invasive weeds such as Eurasian Milfoil, as a bottom anchored plant, can infest a greater percentage of the lake's surface, at worst leaving only a small patch of clear water in the center. This would effectively prevent the following: Use of the lake as a water reservoir for downtown; Boating; Fishing and Swimming
- b. Septic tank leakage into the lake can lead to *E.Coli contamination* and this is exacerbated by the relatively high summer water temperatures.
- c. Agricultural and road run-off can rapidly pollute this lake.

Actions in support of the Mission

Lake Host Program: The New Hampshire Lakes Association in conjunction with the State of NH inaugurated a program in 2003 to oversee and inspect boats going in and out of NH lakes to discover and discourage the spread of any invasive weeds. Canaan has benefited from cash awards of \$1500 to \$3000 each year. The Town supported the program for two years, though was unable to fulfill its obligation of \$500 this past year because of the underfunded budget. The Lake Association has provided volunteer matching hours of over 100% each year and as well monetary support, this year of more than \$800.

Weed Watchers. A comprehensive program of surveys is carried out by volunteers to ensure that any infestation by exotic plants (principally Milfoil) is rapidly detected. The lake is divided into six zones with individuals or groups (including Cardigan Mountain School) assuming responsibility for their assigned zone. Vegetation is surveyed every couple of weeks throughout the summer; suspicious plants are sent to NHDES laboratories for positive identification. No exotic plants were identified in 2008.

Water Quality Testing. In May the town was awarded an EPA grant managed by NH DES for the protection of drinking water in the Canaan Street Lake Watershed. Tasks include installation of watershed boundary signs, a comprehensive water testing program, a survey of septic systems, and educational outreach efforts. This year signs were erected, and activity was initiated on the other tasks.

Shoreland Protection. In July, Shoreland Protection Law modifications became effective. Although not widely publicized, this law has been in effect since 1991. This law was revised to preserve vegetation around the shore, thereby absorbing pollutants before they reach the lake. These revisions included a state permit prior to construction, additional tree/brush cutting limitations, and impervious surface constraints. Additional information may be found at:

<http://des.nh.gov/organization/divisions/water/wetlands/cspa/index.htm>

On August 5, 2008 the Canaan Lake Association, jointly with the Canaan Conservation Commission and the Cardigan Mountain School, sponsored an open meeting on preserving the lake for recreation and as a town water source. The presenters at the meeting were the Water Source Protection Committee and the Upper Valley Land Trust. About 50 people attended the discussion on the current state of the lake, why it is changing and what can be done to preserve it. The Valley News wrote an article about the meeting and the NH DES grant to study the lake's turbidity. Plans are underway to repeat the meeting in 2009.

Cardigan Mountain Bobcats 2008 Report

2008 was another successful year for our club with many new members joining. Our Chicken pie supper in November was a great success thanks to the support of club members, and the community who donated items and came to support the fundraiser.

The current officers are Sarah Carter as president, Marcello Shelzi as vice president, Rachel Legg as treasurer, Alaina Shelzi as historian, Melinda Warren as secretary, and Ari Carter as reporter. Mr. Shelzi is the organizational leader again this year.

Al Posnanski led stained glass and woodworking again this year. The woodworkers learned and used basic tools such as rulers, saws, and layout tools. They learned how to measure and accurately cut their pieces. Projects ranged from birdhouses to a full sized cherry dining room table. The stained glass group was taught how to cut glass using a hand glass cutter. They were taught the layout of project pieces, cutting them to size, and then assembling them using the copper foil method. Please look at past projects at the 4-H clubhouse window.

This was Todd Darling's 14th year as a leader. He shared his knowledge of small engines with small groups of 4-H members. From October through June, he opens up his garage to members that are at least 10 years old. They are encouraged to bring in a project engine that they would like to fix. We learn about the different systems that make an engine work, as well as the difference between 2-cycle & 4-cycle engines. Each member completely takes apart their engine, analyzes what needs to be fixed, repairs and assembles the engine, and hopefully has a running engine when completed. We have worked on projects as small as push lawn mower engines, to big projects such as tractor overhauls. 4-H members have the opportunity to work their way up from small engines to larger engines as their skills develop. Sometimes they get to learn basic welding & fabricating as well. The goal is remove some of the mystery behind the labor saving devices they will use throughout their lives.

Shooting Sports was lead by Skip Pendleton. The shooting sports club met every other Wednesday at the club house during the months of September and October. Seven enrollees learned rifle and range safety before heading out back to learn to accurately shoot air rifles at the target range. Participants were Mikayla Clifford, Jacob Fox, Joshua Maynard, Cody McAlister, Hunter Stebbins, Lincoln Tracy, and Samantha Tracy. Eye dominance was established and basic firing techniques were developed. After practicing dry firing the children shot groups at target backs before working up to actual targets. Every session was preceded by a review of the elements of safe shooting. A favorite activity of the participants was having teams compete to empty the water from milk jugs by quickly and strategically shooting holes in the jugs. Much appreciation goes to parents for helping out during our shooting sessions and the Grafton County 4-H for loaning the club four pellet rifles and shooting rests.

Bobcats Shooting Sports Leader Mr. Pendleton led the aerospace club. The participants learned the basics of rocket propulsion before diving into various projects. The first activity was making a model of the first known rocket engine which was created by Hero in ancient times. Hero made a sphere that spun with steam propulsion. Our models were soda cans that spun from the gravitational force of water squirting out of holes strategically poked into the base of the cans. Some of the engines really could twist quickly!

In the following couple of sessions we designed and built straw rockets that we propelled with blasts of breath at images of the planets in our solar system that were spread out on the club house floor. Our last project of the fall was the design and construction of rockets made from 2-liter soda bottles. Over several sessions each member constructed water pressure powered rockets with fins for guidance and a parachute for recovery purposes from two 2-liter soda bottles, file folders, string, a trash bag, clay, and duct tape. Just after Thanksgiving the rockets were given their finishing touches and painted. Launch day was Sunday, December 7. We felt like cosmonauts as we had Siberian like weather for many successful launches high above the Canaan Historical Museum at the Canaan Town Beach. The parachutes even worked a few times!

Elaine Morrison leads the horse project group that learns about safety around horses and what you need to know about horses and their care. A member does not need to have a horse to join the group. There is hands on work with the horses, but no riding.

Respectfully submitted by Alaina Shelzi

Canaan Meeting House
507 Canaan Street
Canaan, New Hampshire 03741

The use of the Meeting House for community functions increased dramatically this year. The twenty-nine bookings included weddings, parties, committee, community organizations, and club meetings, concerts, art shows, library readings, and a church service. Donations from these functions added \$970 to the Meeting House fund. We should continue to see this use increase, as more people become aware of the amenities now available in this beautiful building.

The New Hampshire Land and Community Heritage Investment Program grant of \$26,836 allowed us to finish the framing for staging and restoring the gallery floors to the original yellow pine. The quality of the workmanship is outstanding, matching the new west porch constructed in 2006. We are fortunate to have dedicated artisans available for historical restoration. These same artisans can now begin the installation of the remaining pew boxes. They will also create the gallery doors.

The funding and construction of the remaining pew boxes and doors will complete the restoration of the Meeting House, which started over thirty years ago.

We began January 1, 2008 with a total of \$44,743.78. Through the year, we added \$26,836 from the LCHIP grant, \$4,491 from donations, and \$197.85 interest for a total of \$76,268.63. Out expenses for the work done was \$27,005.97. We ended 2008 with a balance of \$49,262.66.

We will continue our fundraising efforts until the galleries are complete and the project is done.

Household Hazardous Waste Committee

c/o Upper Valley Lake Sunapee Regional Planning Commission
 30 Bank Street, Lebanon, NH 03766-1756
 603-448-1680 www.uvhhw.org

ANNUAL REPORT 2008

The Upper Valley Household Hazardous Waste committee is a volunteer organization whose purpose is to reduce harm to the environment and human health caused by the use and improper disposal of household hazardous waste. The Committee aims to:

- Educate the public to the dangers of hazardous waste.
- Encourage the use of less hazardous products in the home.
- Promote proper disposal of household hazardous waste.
- Support local agencies which reflect/promote our mission.

During 2008 the Committee continued to maintain a regional website, hosted a booth at the Upper Valley Home Life Exhibition, provided volunteers for the household hazardous waste collections at the Lebanon Landfill, and met with Marc Morgan, Solid Waste Manager for Lebanon to learn more about the Landfill and Recycling Center and the services they provide.

Website www.uvhhw.org provides detailed information about:

- Where and when the hazardous waste collections are this year and who may attend.
- What you can and cannot bring.
- Less toxic recipes for cleaning solutions.
- Links to other regional authorities.

Event Booth The Household Hazardous Waste Committee's booth at the Upper Valley Home Life Exhibition featured information on collections in the area including dates and what materials are and are not accepted. Pesticide free lawn and garden care continued to be a focus. Alternative cleaning recipes were distributed. Also, material was available on mercury and fluorescent light bulb use and disposal.

Household Hazardous Waste Collection Support The committee provided volunteer support at the collections held at the Lebanon Landfill, keeping waiting times short and residents informed. A total of 480 households from Canaan, Enfield, Hanover, Lebanon, Lyme, Orford, Plainfield, Springfield and Cornish brought waste to two collections at the Lebanon Landfill.

The Upper Valley Household Hazardous Waste Committee is made up of volunteers from Upper Valley towns. We invite anyone interested to attend our meetings and become involved.

— Reduce the use of toxics in your home, and responsibly dispose of what waste you do generate —

FY 08 Annual Report for the Upper Valley Lake Sunapee Regional Planning Commission (Commission)

The Commission is one of nine regional planning commission in New Hampshire created to coordinate all aspects of planning, act as a liaison between local and state/federal agencies and provide advisory technical assistance on land use issues. We serve 27 communities from Piermont to Charleston along the Connecticut River and from Wilmot to Washington to the east.

Over the past year the Commission has expended a significant amount of energy increasing visibility, public relations and identifying the needs of the communities, ultimately aimed at building stability and capacity in order to better address land use issues that are important to the long-term sustainability of the communities within the region. The Commission experienced a year of transition and expansion as it hired a Geographic Information Systems Analyst to provide mapping services and a new Executive Director to provide leadership and guidance.

Revenue for the Commission was \$565,964 for FY08. A large percentage of this funding comes from the Unified Planning Work Program utilizing Federal Highway Administration funding through the NH Department of Transportation. Other state and federal funding sources include the NH Department of Environmental Services, the NH Department of Safety - Homeland Security and Emergency Management, and the Office of Energy and Planning. Member communities and counties provide membership dues. In FY2008 this allowed the Commission to leverage approximately \$250,000 in state and federal funds, and provided with the Commission with just over 15% of its revenue.

The Commission consists of representatives appointed by the leadership of each member municipality or county. These Commissioners represent your community's interests in the work the Commission does. The Commission had ten new Commissioners appointed by various municipalities and counties expanding resources and expertise within its leadership and demonstrating considerable renewed interest in regional collaboration. Additionally, Grafton County became a member of the Commission this year.

Some of this year's highlights include completion of the Route 120 Phase I Corridor Study in Lebanon and Hanover and a number of Human Transit Coordination plans and Hazard Mitigation plans. The Commission assisted communities in developing Master Plans in Claremont, Cornish, Acworth, Enfield and Lyme which will enable communities to better align their policies and land uses decision with the goals expressed through community participation. Direct planning assistance was made available to Planning Boards in Orford, Wilmot and Springfield, and regulatory review and ordinance assistance was provided to Claremont, Plainfield, Springfield and Washington.

The Commission provides a significant amount of hours of technical assistance to communities that inquire about specific local issues, data requests or needed resources. The communities of Croydon, Lempster, Goshen, Cornish, Charlestown, New London, Hanover, Sunapee, Lebanon, Grantham, Dorchester, Newport, Unity, Orange, Enfield, Piermont, Plainfield and Leominster all took advantage of these services this past year. This past year we also received inquiries for assistance from regional and other organizations including the Sugar River Conservation Council, Connecticut River Joint Commissions, Mascoma River Watershed Council, Lake Sunapee Advisory Committee, The Nature Conservancy and Dartmouth College.

The Commission was engaged in over 45 projects within the region this year and has increased its capacity to serve the communities of the region. A list of some of this year's accomplishments and projects that were completed, as well as a copy of this Annual Report are available on our website at www.wvlstia.org

We have already begun work on many new initiatives in the region and thank you for your continued support.

Respectfully submitted,

UNIVERSITY OF NEW HAMPSHIRE COOPERATIVE EXTENSION
KATHLEEN JABLONSKI, EXTENSION EDUCATOR AND COUNTY OFFICE ADMINISTRATOR
ANNUAL REPORT TO THE COUNTY, OCTOBER, 2008

UNHCE continues to bring education and research to the citizens of Grafton County through a variety of educational programs in the areas of agricultural resources, family and consumer resources, including Nutrition Connections, forest and wildlife resources, and 4-H youth development. Local staff, in conjunction with Extension specialists housed at UNH in Durham, addresses the needs of Grafton County's citizens. The statewide dairy specialist is housed at the Grafton County office. The staff utilize multiple approaches to reach the maximum number of participants through media connections, internet, email, one-on-one sessions and workshops. Trained volunteers at the Family, Home & Garden Education Center based in Manchester, answer consumer questions throughout the year in all subject matter areas. The Extension Advisory Council, a 14 member volunteer board of Grafton County residents, is chaired by Denis Ward of Monroe. The Advisory Council's main duties are to help create and oversee the UNHCE county budget, approve programmatic changes, evaluate staff and hire replacement educators for the programs.

Family and Consumer Resources Educator Deborah Maes has continued to provide SERVSAFE® and other food safety programs to Grafton County and beyond. Maes is a member of the statewide Food Safety Team. Over 40 individuals were nationally certified in the past year, including employees of the Grafton County Nursing Home. The *Making Money Work for You* course, focusing on basic money management skills, has been taught in several county locations in collaboration with the Bridge House, Whole Village Family Resource Center, AHEAD, Inc. of Littleton, and area banks.

During his last year before retirement, Tom Buob, Agriculture Resources Educator, provided support to state vegetable specialist Becky Grube in field testing varieties for New Hampshire farms through partnering with local producers. Extension has worked with local farms to implement diversification of farm products and evaluate field tests of crops. Commercial and non-commercial growers were provided with pesticide education and recommendations. In conjunction with the agricultural educators across the state, Buob has worked extensively to create and maintain the state's soil testing program, set up on-line data submission and retrieval and train statewide staff in county-based management of the system as well as negotiating relationships with Penn State for analysis. In addition, Buob has served on the Legislative appointed biosolids committee.

Nutrition Connections Educational Program Coordinator Robin Peters continues to teach to the needs of adults and youth with limited resources. Nutrition classes were provided to residents at the Friendship House in Bethlehem. A pilot program with Operation Frontline was offered to residents at the Bridge House in Plymouth. Other agencies sponsoring nutrition classes included the Peer Support Center, Child and Family Services, Parenting Plus and Lane House all in Littleton. The Upper Valley Senior Center in Lebanon and the Grafton County Academy Program received nutrition education. Parent groups from Head Start programs in Littleton, Ashland, Plymouth and Lebanon received hands-on nutrition and cooking skills workshops.

Working as part of UNHCE's Strengthening New Hampshire Communities, Maes and UNH's Michele Gagne worked with Rumney residents to organize a two-day Community Profile in May of 2007. Locally based action groups have continued the work of the Profile, primarily in the area of Natural Resources, Land Conservation and Communications. Rumney has had several community wide meetings to inform and educate the public about their local natural resources. Many of these were taught or hosted by Extension Forester Nory Parr, Maes and Gagne continue to be a resource to the community. Non-profit groups have also been helped in their strategic planning efforts by Extension staff.

In his retirement year, Extension Forester Northam Parr has continued to provide woodlot management advice to landowners, participated in the County Farm committee, overseen statewide licensing of forestry professionals and hosted workshops for the Forest Steward's Guild. After the past year's severe wind damage, Parr worked with many of the affected landowners. Special sessions were held in Lyme, Orford and Bethlehem to discuss options for damaged timberlands. Other workshops presented include: Forest Laws for Municipal Officials, Current Use Laws, Forest Access Road and Best Management Practices, Wildlife Habitats and Erosion on the Baker River.

Michal Lunak, Extension's Dairy Specialist, continues to work with area farms on management practices and economic stability. He also meets with farm families to facilitate a seamless transition from one generation to the next. He has coordinated the statewide dairy conference and the Purebred Dairy Cattle Association state show. In November, 2007, he worked with 40 college-age contestants in the National Dairy Challenge. Lunak continues to work with the state veterinarian on farm bio-security issues. Risk Management Agency (RMA) funding continued throughout 2007. Educational sessions focused on crop diversification, pest management, biofuel crops, and quality forages.

Extension Educator for 4-H Youth Development, Kathy Jablonski, continues to oversee the recruitment, training and screening of the 4-H leaders in Grafton County. In the 2007-2008 year, 111 screened leaders gave their time and energy to support 23 4-H clubs, 20 county wide events and the North Haverhill Fair, Eastern States Exposition and a half dozen statewide and regional contests. In August, 2008, she worked with a statewide committee to offer a two-day Focus on Home, Hotel and Interior Design Career Awareness field trip for 31 teens, featuring businesses in Grafton County. As part of the 4-H after school work team, curriculum support materials for educators working with after-school programs have been created, statewide training given and 4-H curriculum put into use. Two sites, REACH (Littleton) and A+ (Plymouth area), worked to implement continued 4-H after school programming with the help of JC Penney grants. Support was given to the Nutrition Connections grant by teaching courses for Woodsville Headstart, Haverhill Cooperative Middle School and Warren Village School.

Both Lunak and Jablonski continue to serve on the interdisciplinary UNHCE team sponsoring the Natural Resources Business Institute, a 13 week college level course to teach participants how to operate a business based on natural resources. The fall 2007 session was offered in Whitefield with 17 businesses represented. The successful North Country Farm Fresh Cooperative is a result of that class. A session is currently being taught at UNH's Thompson School with 22 businesses represented.

Plymouth State University collaborations have dotted the work of several of our educators this past year. Interns from PSU assisted and observed Nutrition Connections programming, designed and accomplished nutritional presentations and participated in "mock" interviews as part of their career preparation. 4-H Youth Development teamed with Dr. Anne Holba and the Robert Frost Forensics Society to create a series of public speaking workshops for 4-H members and other interested youth. The agricultural resources educator, forestry educator and dairy specialist have worked with the Center for Rural Development in creating a sustainability plan for the County Farm. In a reciprocal agreement with Belknap County, Extension Educator Sue Cagle taught the program Guiding Challenging Children to over 20 child care providers and parents at Plymouth State University, while Deb Maes taught SERVSAFE® courses in Belknap County. Two forest management workshops were taught by Northam Parr as part of the Continuing Education Division's public outreach program.

While employed as the Volunteer Management Program Assistant, Dana Karuza Tulp, coordinated the efforts of the Grafton County Master Gardeners, providing support for their course work, community service projects and their County Farm garden project. As part of her role with the 4-H program, Tulp taught two sessions in after school programming and provided assistance with county events. Her replacement, Arianne Fosdick, joined the staff in April and continues to work with master gardeners, 4-H after school programs and volunteers working with county wide 4-H events. She coordinated the 4-H summer gardening program which served 61 youth and their families.

The administrative assistant staff continues to provide frontline support and referrals for all of our program areas. With the help of Kristina Vaughan, Teresa Locke and Donna Lee, we continue to help the citizens of Grafton County access the most current practices developed by research and technology of the University of New Hampshire and other cooperating land grant universities.

For more information about UNHCE, Grafton County, contact our office at the County Administration Building, Grafton County Complex, 3855 Dartmouth College Hwy., Box 5, N. Haverhill, NH 03774, or call 787-6944. Our County Calendar of Events can be viewed at: <http://extension.unh.edu/Counties/Grafton/Grafton.htm>

Respectfully submitted, Kathleen E. Jablonski, M.Ed. UNHCE, Extension Educator, 4-H Youth Development

VISITING NURSE ASSOCIATION & HOSPICE OF VT AND NH
Home Healthcare, Hospice and Maternal Child Health Services in Canaan, NH

The VNA & Hospice is a compassionate, non-profit healthcare organization committed to providing the highest quality home healthcare and hospice support services to individuals and their families. By keeping Canaan residents out of emergency rooms and hospitals, and reducing the need for relocation to nursing homes, our care offers significant savings in the town's emergency services and other medical expenses.

VNA & Hospice clients are of all ages and at all stages in life. Services are provided to all in need regardless of ability to pay. Between July 1, 2007 and June 30, 2008, the VNA & Hospice made 1,737 homecare visits to 165 Canaan residents (approximately 5% of Canaan's population) and provided approximately \$73,670 in uncompensated care.

Home HealthCare: 1,429 home visits to 83 residents with short-term medical or physical needs (a 27% increase from last year).

Long-term Care: 23 home visits to 2 residents with chronic medical problems who needed extended care in their home to avoid admission to a nursing home.

Hospice Services: 147 home visits to 7 residents who were in the final stages of their lives.

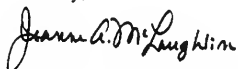

Maternal and Child Health Services: 71 home visits to 11 residents for well baby, preventative and high-tech medical care.

Family Support Services: 67 home visits to 19 families (61 individuals) for parenting and child development support.

Additionally, residents made visits to VNA & Hospice community clinics for foot care, blood pressure screenings, cholesterol testing and flu shots.

Canaan's annual appropriation helps the VNA & Hospice meet the demand for quality home healthcare, and to ensure that all who qualify for services will always be able to receive them. On behalf of the people we serve, we thank you for your continued support.

Sincerely,

Jeanne McLaughlin, President (1-888-300-8853)

MINUTES
of
Town Meeting

Deliberative Session

FEBRUARY 2, 2008

and

Day of Voting

MARCH 11, 2008

Town of Canaan, NH

REPORT OF TOWN MEETING DELIBERATIVE SESSION
FEBRUARY 2, 2008

The Deliberative Session of the Annual Town Meeting was called to order by Moderator Dale Barney at the Canaan Elementary School on Saturday, February 2, 2008 at 1:02 pm. After the Pledge of Allegiance, the Moderator read the rules: 1) no smoking on the premises; 2) only legally registered voters from Canaan may exercise their voting rights; 3) a person must be recognized by the chair prior to speaking and then should direct all comments through the Moderator; 4) all discussion must be related to the article on the floor; 5) there can only be one amendment at a time on the floor; 6) amendments must be in writing; 7) negative motions will not be accepted; 8) the right to speak as well as the right to be heard will be respected; 9) comments should be limited to three minutes or less; and 10) five or more signatures will be required for a petition for a paper ballot on any article.

ARTICLE 2

“Are you in favor of updating the town’s floodplain ordinance, as proposed by the planning board as follows: update and re-enact the current town floodplain ordinance adopted as Article 19 at the 1988 Town Meeting to comply with requirements of the National Flood Insurance Program?”

A motion to accept Article 2 was made by Philip Salvail, second by Craig Lawler. The Selectmen explained that the Town of Canaan will not be eligible for FEMA monies if the ordinance is not updated. There are minor changes in definitions and mapping. After a brief discussion the Moderator declared that Article 2 be placed on the ballot as written.

ARTICLE 3

Shall the Town of Canaan vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling the sum of Three Million Five Hundred Forty Two Thousand Two Hundred Thirty Seven Dollars (\$3,542,237.00)?

Should this article be defeated, the default budget shall be Three Million Three Hundred Fifty Seven Thousand Fourteen Dollars (\$3,357,014.00), which is the same as last year, with certain adjustment required by previous action of the Town of Canaan or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

A motion to accept Article 3 was made by Charles Townsend, second by David McAlister. Craig Lawler brought forth a motion to amend Article 3 as follows, second by Jonathan Roberts:

“Shall the Town of Canaan vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote or the first session, for the purposes set forth therein, totaling the sum of Three Million two Hundred sixty-six thousand four Hundred Eighty Dollars (\$3,266,480)?

Should this article be defeated, the default budget shall be Three Million Three Hundred Fifty Seven Thousand Fourteen Dollars (\$3,357,014.00), which is the same as last year, with certain adjustment required by previous action of the Town of Canaan or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.”

Shirley Packard asked what would be taken out of the budget to accommodate the decrease in the money amount. Craig said that would be up to the Selectmen. There was a lengthy discussion in regards to how bad the economy is, and what can be done to help with taxes. Patrick Andrew made a motion to move the discussion, second by Sam Frank. Voted and the ayes have it. Craig Lawler had a signed request for a paper ballot on this article, so the voting commenced. Final Vote:

NO: 49, YES: 25, 1 SPOILED BALLOT.

The amendment was defeated. After a brief discussion, the Moderator declared that Article 3 be placed on the ballot as written.

ARTICLE 4

To see if the Town will vote to raise and appropriate the sum of One Hundred Sixty One Thousand One Hundred Nine Dollars (\$161,109.) For Water and Sewer Operations for the Town of Canaan. These funds are raised by user fees and are not funded by property taxes.

The Board of Selectmen recommends this article 3-0
The Budget Committee recommends this article 7-2

A motion to accept Article 4 was made by Kristina Burnett, second by Vicky McAlister. Milton Wilson asked about problems with double appropriations last year. Dexter Bucklin explained that there were mistakes last year, and that the board had corrected them and were going forward. Eleanor Davis asked where are the revenue sheets for the public? Dexter apologized for not handing them out at the meeting. Gloria Koch went to the town office, made copies, and brought them back to the meeting. John Dow asked if the legislative body could add money to this article to upgrade the water/sewer system. The answer is no. That has to be done separately. Frank Kopczynski asked if there was a bond to upgrade the water/sewer system, who would pay for that: the entire tax base or just the users of the system? Dexter explained that the wording on the bond article would determine that. After a brief discussion the Moderator declared that Article 4 be placed on the ballot as written.

ARTICLE 5

To see if the Town will vote to raise and appropriate the sum of Forty Five Thousand Dollars (\$45,000.) to be used for the replacement of the Heating System of the Town Library and Town Offices. This appropriation shall be non-lapsing until the project has been completed or until December 31, 2013, whichever occurs first.

The Board of Selectmen recommends this article 3-0
The Budget Committee recommends this article 7-2

A motion to accept Article 5 was made by Jeff Majewski, second by Tom Hudgens. Bob Reagan gave a brief explanation of how the Board of

Selectmen came up with the money figure. Dexter Bucklin explained that in the future the board would like to consider alternative heating, such as solar. There was discussion on the wording of the last sentence, and whether it should be there. Duane Mansur made a motion to strike the last sentence, second by Wesley Mansur. Voted, and it was defeated. The Moderator declared that Article 5 be placed on the ballot as written.

ARTICLE 6

To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.) to be added to the previously established Capital Reserve Fund for Highway Equipment with the Legislative Body (the Voters) as Agents.

The Board of Selectmen recommends this article 3-0

The Budget Committee recommends this article 9-0

A motion to accept Article 6 was made by Jeff Majewski, second by Russell Lester. There was general discussion concerning what equipment will need to be replaced. No changes to this article, so the Moderator declared that Article 6 be placed on the ballot as written.

ARTICLE 7

To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000.) to be added to the Bridge Repair, Replacement and Maintenance Capital Reserve Fund previously established. There is an established Capital Reserve Fund for this purpose with the Board of Selectmen as the Agents to expend.

The Board of Selectmen recommends this article 3-0

The Budget Committee recommends this article 9-0

A motion to accept Article 7 was made by David McAlister, second by Dave Barney. Kristina Burnett explained that the State of NH will pick up 80% of the bridge costs, and the Town of Canaan will be responsible for 20%. After a brief discussion the Moderator declared that Article 7 be placed on the ballot as written.

ARTICLE 8

To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.) to be added to the previously established Fire Truck Capital Reserve Fund. There is an established Capital Reserve Fund for this purpose with the Legislative Body (The Voters) as the Agents to Expend.

The Board of Selectmen recommends this article 3-0

The Budget Committee recommends this article 7-1

A motion to accept Article 8 was made by Bill Bellion, second by David Shinnlinger. Bill Bellion spoke about the future equipment that the fire station will need. When asked how much is in the fund now, he replied about \$172,000. With nothing further to add, the Moderator declared that Article 8 be placed on the ballot as written.

ARTICLE 9

To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000.) to purchase a tractor for sidewalk plowing and park mowing.

The Board of Selectmen recommends this article 3-0

The Budget Committee recommends this article 5-4

A motion to accept Article 3 was made by Vicky McAlister, second by Tom Hudgens. After a brief discussion, the Moderator declared that Article 9 be placed on the ballot as written.

ARTICLE 10

To see if the Town will vote to raise and appropriate an additional \$7,500 for expanded hours for the Fire Chief. This would provide, on average, an additional seven hours per week.

The Board of Selectmen recommends this article 3-0

The Budget Committee does not recommend this article 5-5

A motion to accept Article 10 was made by Russell Lester, second by Dave Barney. Tom Hudgens spoke on this, and also Bill Bellion. After a brief discussion, the Moderator declared that Article 10 be placed on the ballot as written.

ARTICLE 11

Shall we adopt the provisions of RSA 31:95-c to restrict the first \$5,000 (five thousand dollars) of each year's revenue from the sale of recycled materials to expenditures for the purpose of equipment, repairs or improvements at the transfer station? Such revenue and expenditures shall be accounted for in a special revenue fund to be known as the Town Transfer Station Facility Revenue Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote of the town meeting to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund.

The Board of Selectmen recommends this article 3-0

The Budget Committee recommends this article 9-0

A motion to accept Article 11 was made by Al Posnanski, second by Dave McAlister. There was discussion concerning how much the recycling is making for the Town, and what improvements need to be done. Jeff Majewski brought forth the following amendment to change \$5000.00 to 25%:

“Shall we adopt the provisions of RSA 31:95-c to restrict the first 25% (twenty-five percent) of each year’s revenue from the sale of recycled materials to expenditures for the purpose of equipment, repairs or improvements at the transfer station? Such revenue and expenditures shall be accounted for in a special revenue fund to be known as the Town Transfer Station Facility Revenue Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote of the town meeting to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund.”

Voted and the ayes have it. The Moderator declared that Article 11 be placed on the ballot as amended.

ARTICLE 12

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.) for tomb stone repairs. The Cemetery Trustees and cemetery custodian will oversee the repairs. The money will be used for all Town owned Cemeteries.

The Board of Selectmen recommends this article 3-0

The Budget Committee recommends this article 7-2

A motion to accept Article 12 was made by Dave Shinnlinger, second by Tom Hudgens. Phil Carter explained that many of the older tomb stones are in bad shape. Twin State Monuments gave an estimate to the Town of Canaan on how much it would cost to start repairs. After a brief discussion, the Moderator declared that Article 12 be placed on the ballot as written.

ARTICLE 13

To see if the Town will vote to make the current part-time police secretary position a full time position and to raise and appropriate the sum of \$1950 to be added to the retirement line in the Police Department Budget for this purpose. This position is currently a 34.5 hour a week position. Upon passage it will be a 35 hour a week position.

The Board of Selectmen recommends this article 3-0

The Budget Committee does not recommend this article 6-4

A motion to accept Article 13 was made by Tom Hudgens, second by Audrie Armstrong. There was a lengthy discussion concerning this

position. There being no amendments, the Moderator declared that Article 13 be placed on the ballot as written.

ARTICLE 14

To see if the town will vote to establish a revolving fund for police details pursuant to RSA 31:95-h. If this article is adopted, all revenues received from third parties for private police details will be deposited into the revolving fund, which shall be allowed to accumulate from year to year. The town treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the Board of Selectmen, and only for expenses related to providing the police details.

The Board of Selectmen recommends this article 3-0

The Budget Committee recommends this article 7-3

A motion to accept Article 14 was made by Philip Salvail, second by Dave Heath. Sam Frank gave a brief explanation for the police department wanting to do this. After a brief discussion, the Moderator declared that Article 14 be placed on the ballot as written.

ARTICLE 15 – Petitioned Article

To see if the town will vote to approve the following resolution to be forwarded to our State Representatives, our State Senator and our Governor:

Resolved: We the citizens of Canaan, NH believe in a New Hampshire that is just and fair. The property tax has become unjust and unfair. State leaders who take a pledge for no new taxes perpetuate higher and higher property taxes. We call on our State Representatives, our State Senator and our Governor to reject the “Pledge”, have an open discussion covering all options, and adopt a revenue system that lowers property taxes.

A motion to accept Article 15 was made by Russell Lester, second by Dave Barney. Nathan Deleault expressed concern that the language in this article is inflammatory. He made a motion to amend as follows, second by Dave Shinnlinger:

“We the citizens of Canaan, NH, call on our State Representatives, State Senators and our Governor to reject the “Pledge” and have an open discussion about adopting a new revenue system covering all options including a sales or income tax.”

A vote was taken on the amendment, and it was defeated. The Moderator declared that Article 15 be placed on the ballot as written.

ARTICLE 16

To transact any other business that may be legally brought before this Town Meeting.

No other business was brought forward, so the Moderator declared the meeting adjourned at 3:49 pm.

A true copy attest:

Vicky J. McAlister
Canaan Town Clerk

Report of the Day of Voting

March 11, 2008

The Day of Voting was called to order by Moderator Dale Barney at the Canaan Fire Station on Tuesday, March 11, 2008 at 8:00 a.m. The polls were declared open for the purpose of voting by ballots for Town Officials (Article 1), Articles 2 through 15, and School District Officials and Articles. Supervisors of the Checklist, Ben Yamashita and Carole Cushman took their positions. Patricia Brown, Nancy Charbono-Ricard, Margaret Godfrey, and Martha Pusey were ballot clerks, and Robert Reagan was Gatekeeper. The absentee ballots were processed at 2:30 p.m. by the Moderator. The Moderator declared the polls closed at 7:00 p.m. There were 2276 voters on the checklist, with 30 new registrations on March 11, 2008. Votes cast on the day of voting were 950, with 49 absentee ballots, for a total cast of 999.

Results for Articles 1 through 15 are as follows:

Article 1: To vote by non-partisan ballot for the following Town Officers:

Robert Scott-----483*

ARTICLE 2

“Are you in favor of updating the town’s floodplain ordinance, as proposed by the planning board as follows: update and re-enact the current town floodplain ordinance adopted as Article 19 at the 1988 Town Meeting to comply with requirements of the National Flood Insurance Program?”

YES: 632* NO: 218

The Moderator declared Article 2 passed.

ARTICLE 3

Shall the Town of Canaan vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other

appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling the sum of Three Million Five Hundred Forty Two Thousand Two Hundred Thirty Seven Dollars (\$3,542,237.00)?

Should this article be defeated, the default budget shall be Three Million Three Hundred Fifty Seven Thousand Fourteen Dollars (\$3,357,014.00), which is the same as last year, with certain adjustment required by previous action of the Town of Canaan or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

YES: 392 NO: 526*

The Moderator declared Article 3 defeated.

ARTICLE 4

To see if the Town will vote to raise and appropriate the sum of One Hundred Sixty One Thousand One Hundred Nine Dollars (\$161,109.) For Water and Sewer Operations for the Town of Canaan. These funds are raised by user fees and are not funded by property taxes.

The Board of Selectmen recommends this article 3-0

The Budget Committee recommends this article 7-2

YES: 693* NO: 240

The Moderator declared Article 4 passed.

ARTICLE 5

To see if the Town will vote to raise and appropriate the sum of Forty Five Thousand Dollars (\$45,000.) to be used for the replacement of the Heating System of the Town Library and Town Offices. This appropriation shall be non-lapsing until the project has been completed or until December 31, 2013, whichever occurs first.

The Board of Selectmen recommends this article 3-0

The Budget Committee recommends this article 7-2

YES: 570* NO: 364

The Moderator declared Article 5 passed.

ARTICLE 6

To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.) to be added to the previously established Capital Reserve Fund for Highway Equipment with the Legislative Body (the Voters) as Agents.

The Board of Selectmen recommends this article 3-0

The Budget Committee recommends this article 9-0

YES: 573* NO: 356

The Moderator declared Article 6 passed.

ARTICLE 7

To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000.) to be added to the Bridge Repair, Replacement and Maintenance Capital Reserve Fund previously established. There is an established Capital Reserve Fund for this purpose with the Board of Selectmen as the Agents to expend.

The Board of Selectmen recommends this article 3-0
The Budget Committee recommends this article 9-0

YES: 648* NO: 286

The Moderator declared Article 7 passed.

ARTICLE 8

To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.) to be added to the previously established Fire Truck Capital Reserve Fund. There is an established Capital Reserve Fund for this purpose with the Legislative Body (The Voters) as the Agents to Expend.

The Board of Selectmen recommends this article 3-0
The Budget Committee recommends this article 7-1

YES: 508* NO: 416

The Moderator declared Article 8 passed.

ARTICLE 9

To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000.) to purchase a tractor for sidewalk plowing and park mowing.

The Board of Selectmen recommends this article 3-0
The Budget Committee recommends this article 5-4

YES: 323 NO: 604*

The Moderator declared Article 9 defeated.

ARTICLE 10

To see if the Town will vote to raise and appropriate an additional \$7,500 for expanded hours for the Fire Chief. This would provide, on average, an additional seven hours per week.

The Board of Selectmen recommends this article 3-0

The Budget Committee does not recommend this article 5-5

YES: 354 NO: 616*

The Moderator declared Article 10 defeated.

ARTICLE 11

Shall we adopt the provisions of RSA 31:95-c to restrict the first 25% (twenty-five percent) of each year's revenue from the sale of recycled materials to expenditures for the purpose of equipment, repairs or improvements at the transfer station? Such revenue and expenditures shall be accounted for in a special revenue fund to be known as the Town Transfer Station Facility Revenue Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote of the town meeting to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund.

The Board of Selectmen recommends this article 3-0

The Budget Committee recommends this article 9-1

YES: 752* NO: 222

The Moderator declared Article 11 passed.

ARTICLE 12

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.) for tomb stone repairs. The Cemetery Trustees and cemetery custodian will oversee the repairs. The money will be used for all Town owned Cemeteries.

The Board of Selectmen recommends this article 3-0

The Budget Committee recommends this article 7-2

YES: 530* NO: 432

The Moderator declared Article 12 passed.

ARTICLE 13

To see if the Town will vote to make the current part-time police secretary position a full time position and to raise and appropriate the sum of \$1950 to be added to the retirement line in the Police Department Budget for this purpose. This position is currently a 34.5 hour a week position. Upon passage it will be a 35 hour a week position.

The Board of Selectmen recommends this article 3-0
The Budget Committee does not recommend this article 6-4

YES: 381 NO: 588*

The Moderator declared Article 13 defeated.

ARTICLE 14

To see if the town will vote to establish a revolving fund for police details pursuant to RSA 31:95-h. If this article is adopted, all revenues received from third parties for private police details will be deposited into the revolving fund, which shall be allowed to accumulate from year to year. The town treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the Board of Selectmen, and only for expenses related to providing the police details.

The Board of Selectmen recommends this article 3-0
The Budget Committee recommends this article 7-3

YES: 563* NO: 397

The Moderator declared Article 14 passed.

ARTICLE 15 – Petitioned Article

To see if the town will vote to approve the following resolution to be forwarded to our State Representatives, our State Senator and our Governor:

Resolved: We the citizens of Canaan, NH believe in a New Hampshire that is just and fair. The property tax has become unjust and unfair. State leaders who take a pledge for no new taxes perpetuate higher and higher property taxes. We call on our State Representatives, our State Senator and our Governor to reject the “Pledge”, have an open discussion covering all options, and adopt a revenue system that lowers property taxes.

YES: 735* NO: 220

The Moderator declared Article 15 passed.

No other business transacted.

A true copy attest:
